# Track, monitor and optimize your entire school bus fleet.

Telematics

Ground Traffic Control®
All-in-one, full-fleet management platform for safety, uptime, maintenance and operations optimization.

Zonar V4™
Capture real-time location, diagnostics & idling. Monitor & manage every vehicle, including EV buses.

Zonar LD™
Plug-and-play this light-duty TCU to track school vans & admin vehicles.

Optimization

Zonar Z Pass®
Digitally & securely track ridership online.

Zonar Access™
Manage employee hours online, on one platform.

Fleet health

Zonar EVIR®
Protect fleet health & student riders with electronically verifiable inspections.

Zonar FaultIQ®
Pull fault codes from all major vehicle components & know what they mean.

Tire Pressure Monitoring System (TPMS)
Remotely monitor each tire's temperature & pressure online, even in motion. Prevent tire failures & save on fuel costs.

Student safety

Zonar MyView™
Enhance transparency & communication with parents & guardians.

Safety technology
Safeguard everyone on board with stop-arm camera packages & driver coaching.

Bus image callouts

- Protect students & vehicles by ensuring every inspection is performed properly. **EVIR®**
- Capture HD footage of unsafe events that happen inside & outside the bus. **Zonar Coach™**
- Capture every start, stop, turn, slow down, speed up, idling, & door open or close event. **Zonar V4™**
- Safeguard riders from being stranded & maximize uptime. **Zonar FaultIQ®**
- Monitor real-time SoC levels for EVs & track battery consumption to increase range awareness. **Electric Buses**
- Optimize routes, stops, fuel & battery usage based on real-world metrics. **Ground Traffic Control®**

School image callouts

- Safeguard building entry points with verified inspections. **EVIR®**
- Ensure on-time performance & hours paid. **Zonar Access™**
- Enable parents to track their child's bus location with a safe, secure mobile app. **Zonar MyView™**
- Track light-duty vehicles to know exactly where they are and how they're doing—anytime. **Zonar LD™**
- Know who's on which bus at all times. **Zonar Z Pass®**
- Attach a compact, unassuming, rugged tracking device to any asset, any size. **Zonar ZTrak™**

## Deeper insights. Lower TCO.

- Many Thomas Built Buses Saf-T-Liner®, Minotour® and C2 Jouley™ buses are already line-fit with the Zonar V4.
- When buying a new Thomas Built Bus vehicle, you can opt in to have a Zonar V4 pre-installed for you.
- BlueBird® customers can order our pre-wire kit for an OEM backbone installation on the factory floor or install aftermarket.
- IC Bus customers can purchase buses with factory fit Zonar technology, install aftermarket or OEM retrofit their vehicles with the Zonar pre-wire kit.

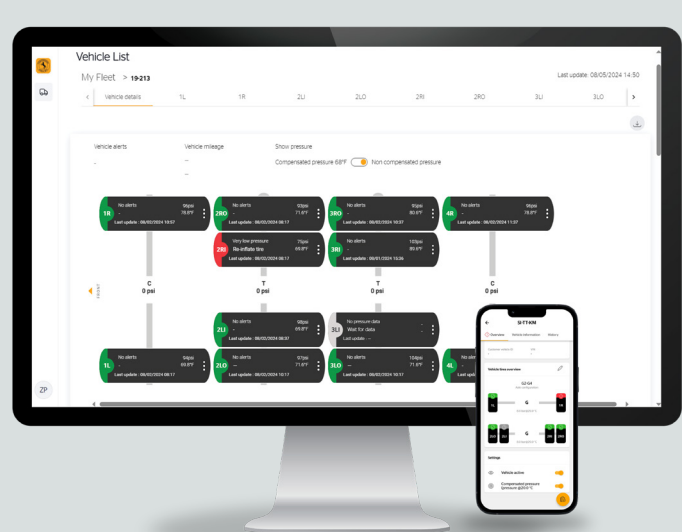

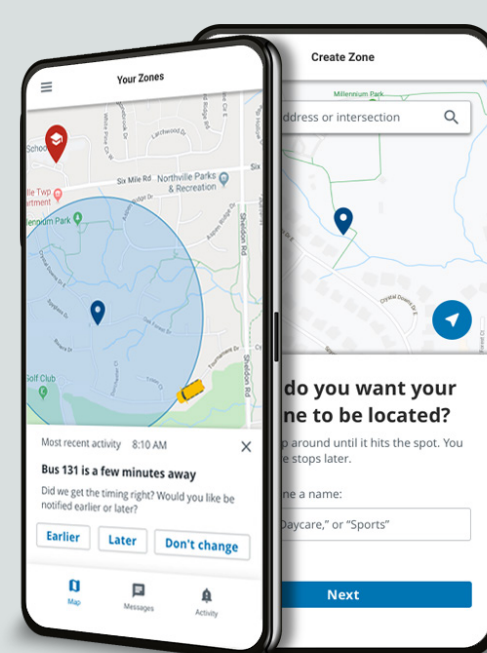

Zonar ZTrak™

Protect school assets from loss and theft. Attach a rugged, discreet, compact asset tracker and monitor the asset's location anytime, online.
